I love my grandparents they  
take good care of me.

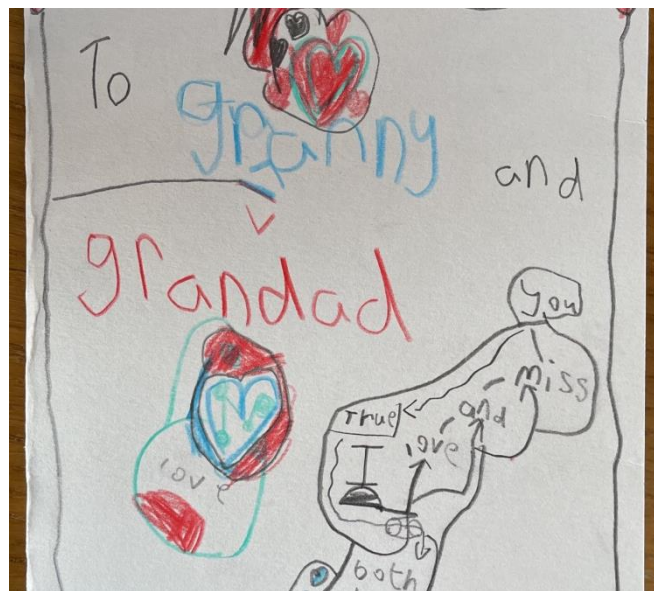

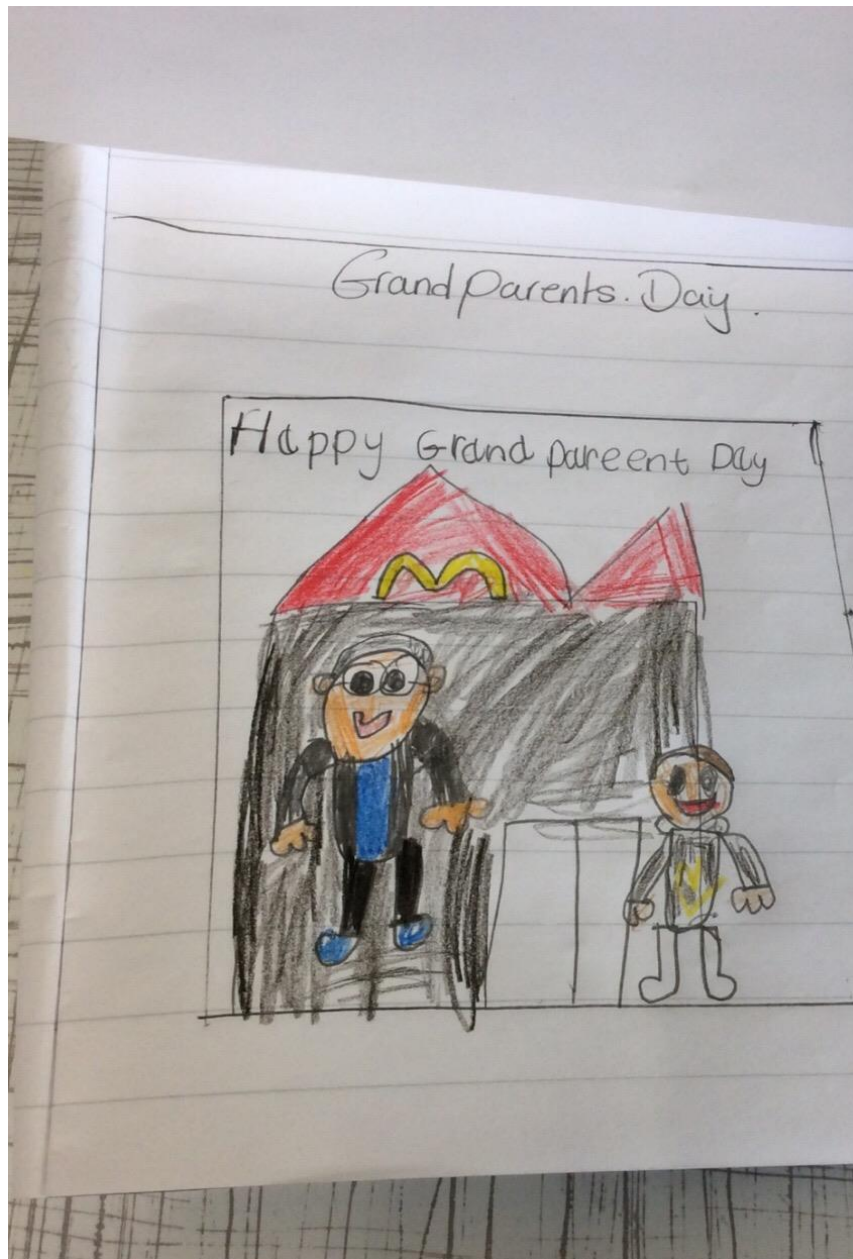

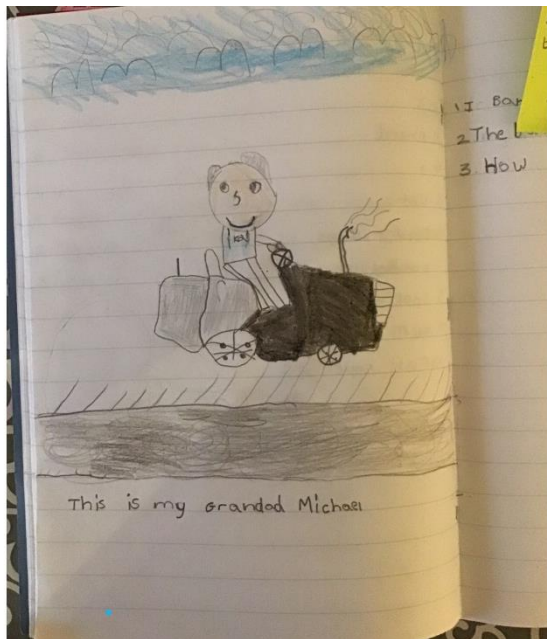

Grandparents make the world...  
a little softer, a little kinder, a little warmer.

*Happy Grandparents Day*

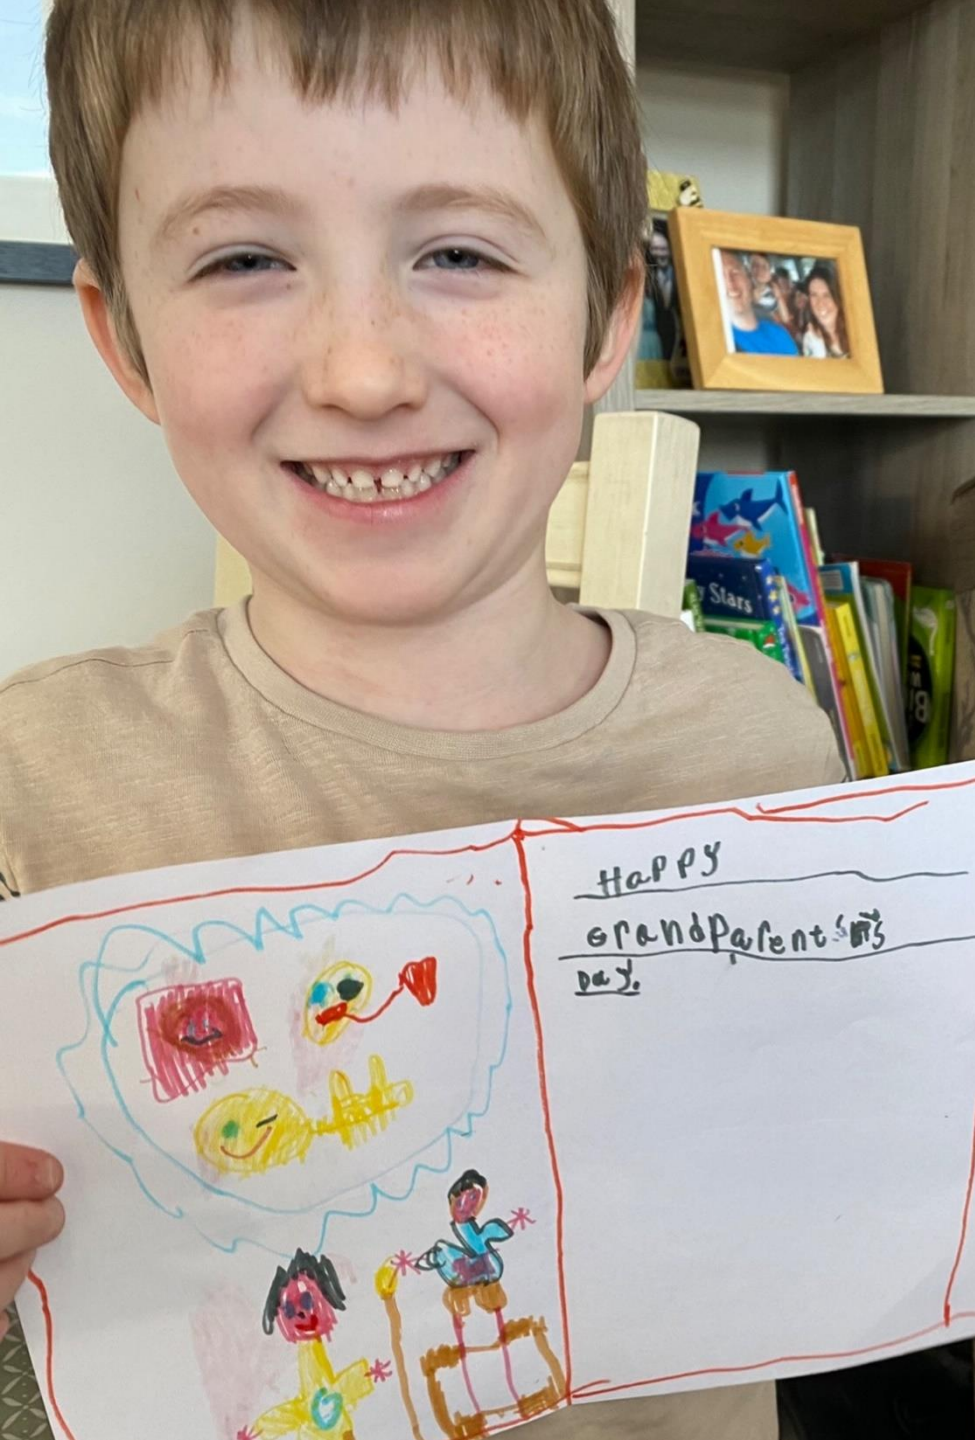

Grandparents are like  
magicians. They can create  
wonderful memories for  
their grandchildren out of  
thin air.

My Granda sean Sharkey

All of my Grandparents are in heaven. My mummy always talks about her Daddy that I never met. This makes me feel sad. His name was Granda sean. He had silver hair and big blue eyes. He always dressed smart and wore a tie. He loved to garden and plant flowers and grow vegetables. He was always happy and smiling. I would really have loved to have met him and tasted his delicious stew! I visit his grave and say a prayer sometimes.

My Wonderful Grandad  
My Grandad's name was Paul and he was so tall. Grandad's hair was blonde and he had blue eyes like mine. He always wore his blue jumper and jeans. He loved to work in his garden and also to work in the kitchen. My grandad loved to make Christmas dinner and his last Christmas in 2019 he made the best Christmas dinner. He let me set the table and bought us special glasses with charms on them. We all sat around together telling jokes and stories. My favourite story he told was the day he bought the dogs Duke and Sheila. My grandad is in heaven now and I miss him every day.

My Nanny

My Nanny is called Olive Wylie.  
She is in her 60s.  
She lives with Grandad and her dog Tito. She has brown eyes and grey hair. She is small. She sometimes wears glasses.  
My Nanny is kind because she is very nice to us all the time. She takes care of us also. She is very happy and good fun. She gives us toys and sweets. I love her very much.

Today I am going to write about my Tada.  
Tada is the name we have given our grandpa. ✓  
My Tada is tall. He wears trousers like dad. His trousers and his shoes are blue. His t-shirt is dark red and white. His eyes are brown and his hair is grey. Tada is funny and likes to play jokes all the time. Tada checks my bed room every Sunday and if it is tidy he gives me a pound. Tada is very good to me and brings me to the park. Tada is now retired but still does lots of his own jobs. I think Tada looked like me when he was a little boy.

## ***WHY MY GRANDPARENTS ARE SO SPECIAL TO ME***

I can  
always  
rely  
on  
them

They  
always  
look  
after  
me

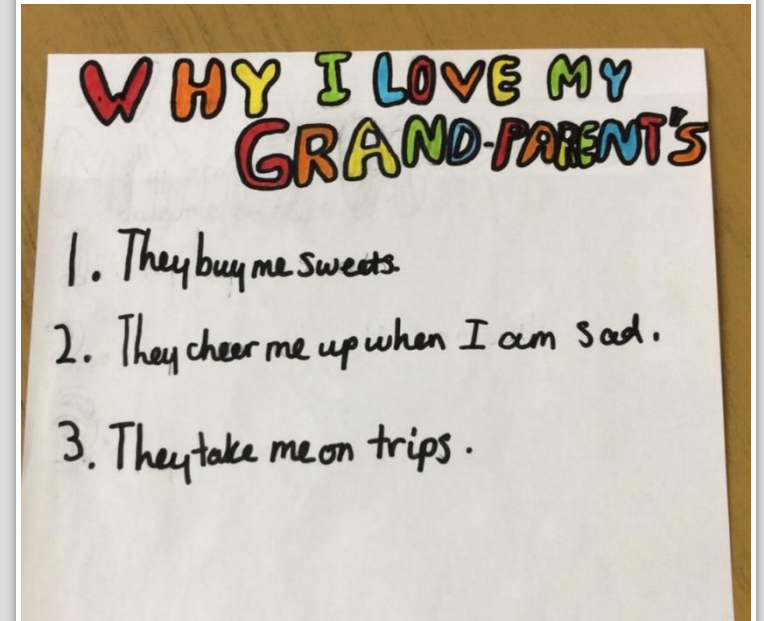

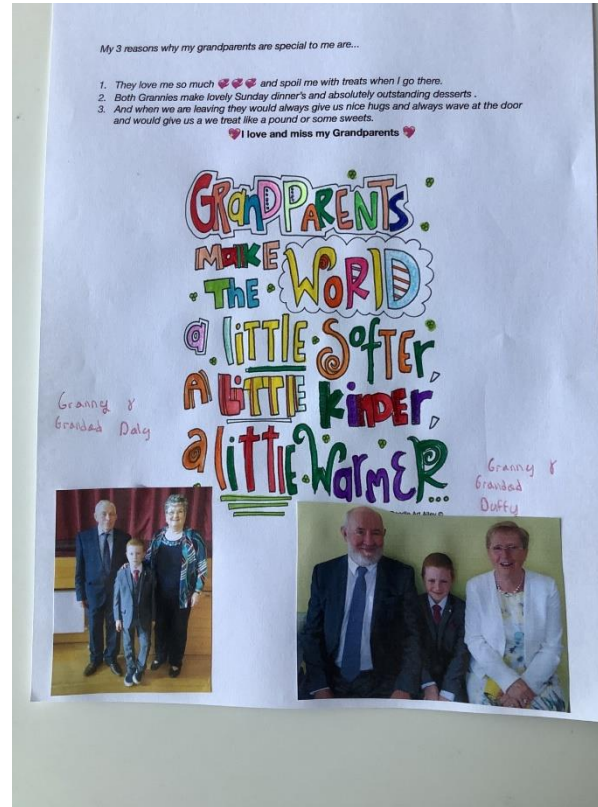

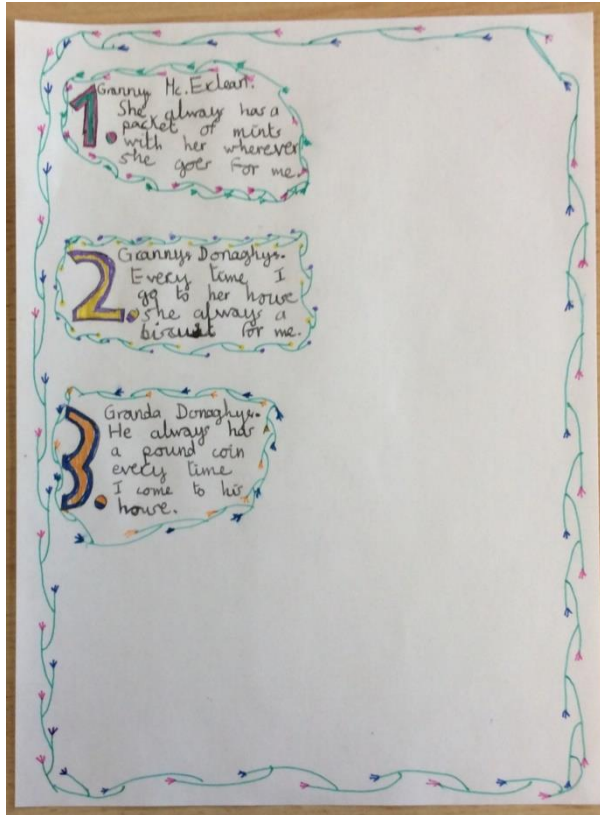

They  
spoil  
me  
too  
much

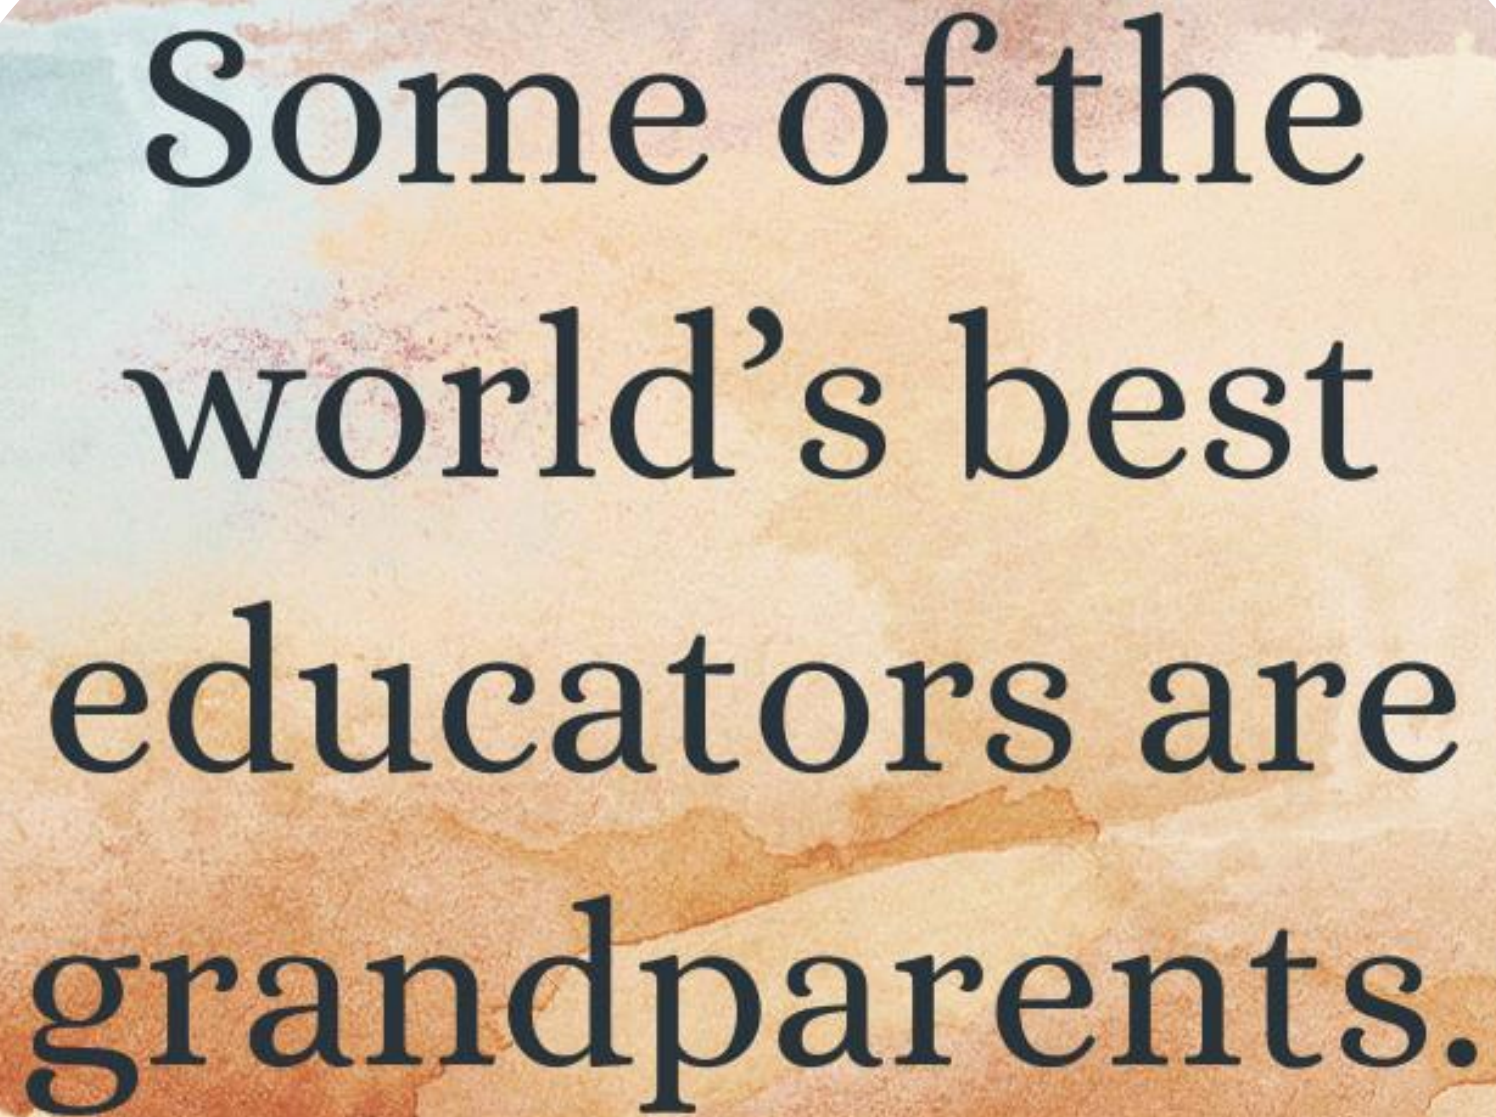

My grandparents.

My grandparents are called granny May and grandpa T. A. They are in heaven now but I still love them very much. Granny May used to give us sweets. They were yummy. Grandpa Tim used to play chess with us. He always won. We'd always chat with them about school and how we are doing. They'd also give us biscuits.

I love my grandparents so much.

## My Grandad Paddy

My Grandad paddy is a very friendly man. He is tall with a bald head. He has bright blue eyes and wears glasses for reading the paper. He has a very sore knee that he hurt playing football along time ago, I think he needs a new knee.

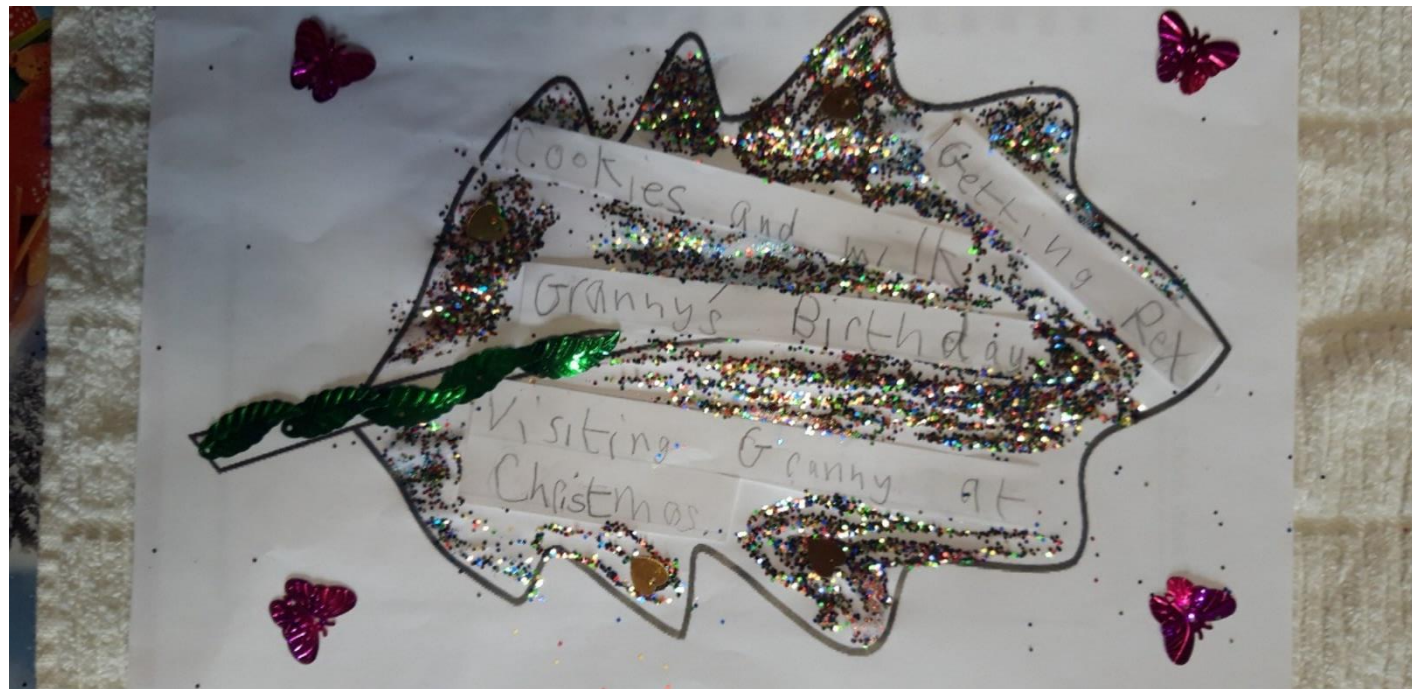

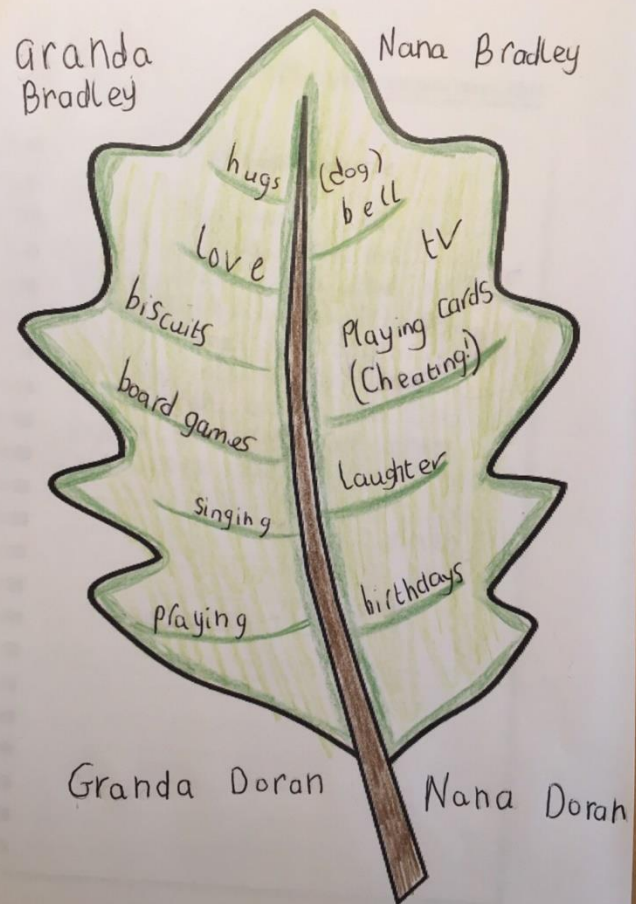

My grandad grew up in a big family there were 4 boys and 3 girls, grandad was in the middle. He went to the Omagh Christian Brothers Grammar school. His favourite subject was geography and his favorite book to read as a child was Travels with Charlie by John Steinbeck.

My grandad had a pet dog called Shep, short for shepherd. Grandads favourite food was his mummy's wheaten bread. He told me he would cut a big slice and hide it in his room so no one would eat it. Grandad's favourite time of year was summer, because he could get to play football all day long.

Grandads' hobbies are football and golf. Grandad played football for Tyrone when he was younger. Grandad plays golf a lot more now because he has more time. He teaches me how to play football and golf. Granny and grandad like to walk everyday together to keep them fit.

My grandad is very kind and caring, He is always fun to be around and is always playing or telling me very interesting facts. I love my grandad very much.

## My Granda Jock

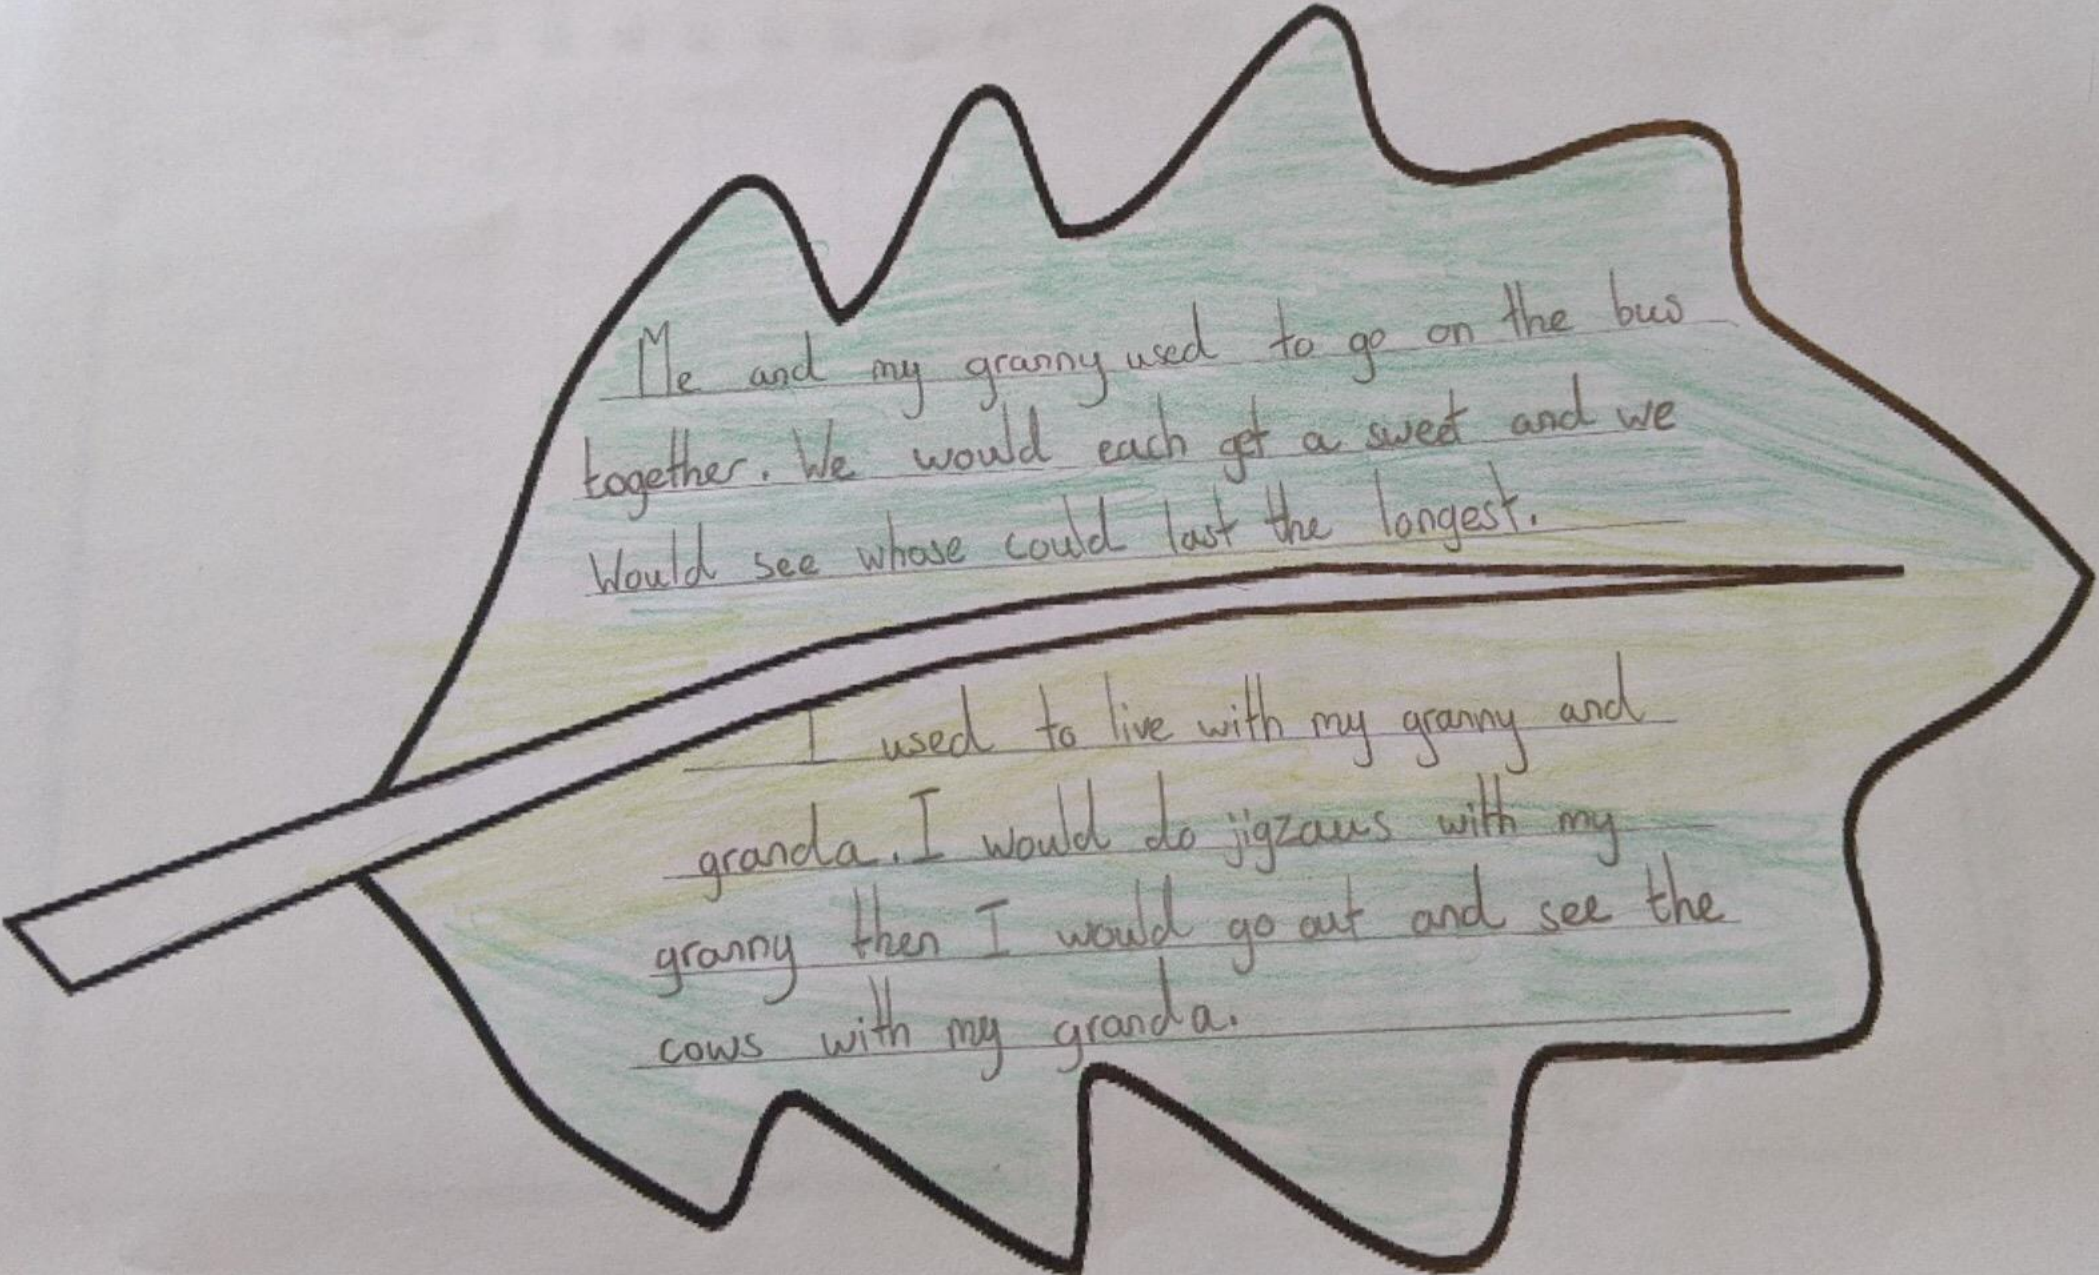

My Grandad Jock is one of the most important people in my life. He has dark hair that is a bit grey, he is medium height and slim build. He works with my Dad. They are both plasterers and sometimes they take me with them to jobs. I really enjoy going in the van to get the trailer and filling it with planks and scaffolding. 🚚

I go to my Nanny and Grandads house every Friday night. We love to watch WWE matches especially the Royal Rumble matches, he is really looking forward to this years Royal Rumble match. We normally have our favourite dinner pepperoni pizza 🍕 and mint ice cream for dessert. We would sometimes watch The Chase and Tipping Point and watch our favourite team Everton play. My family are all Everton fans, and we all take this after my Grandad.

He is very good at mending things and that is one of the things I love to do with him. He is always helping around our house, and when he was building the bricks 🧱 for our conservatory, my brother and I helped him.

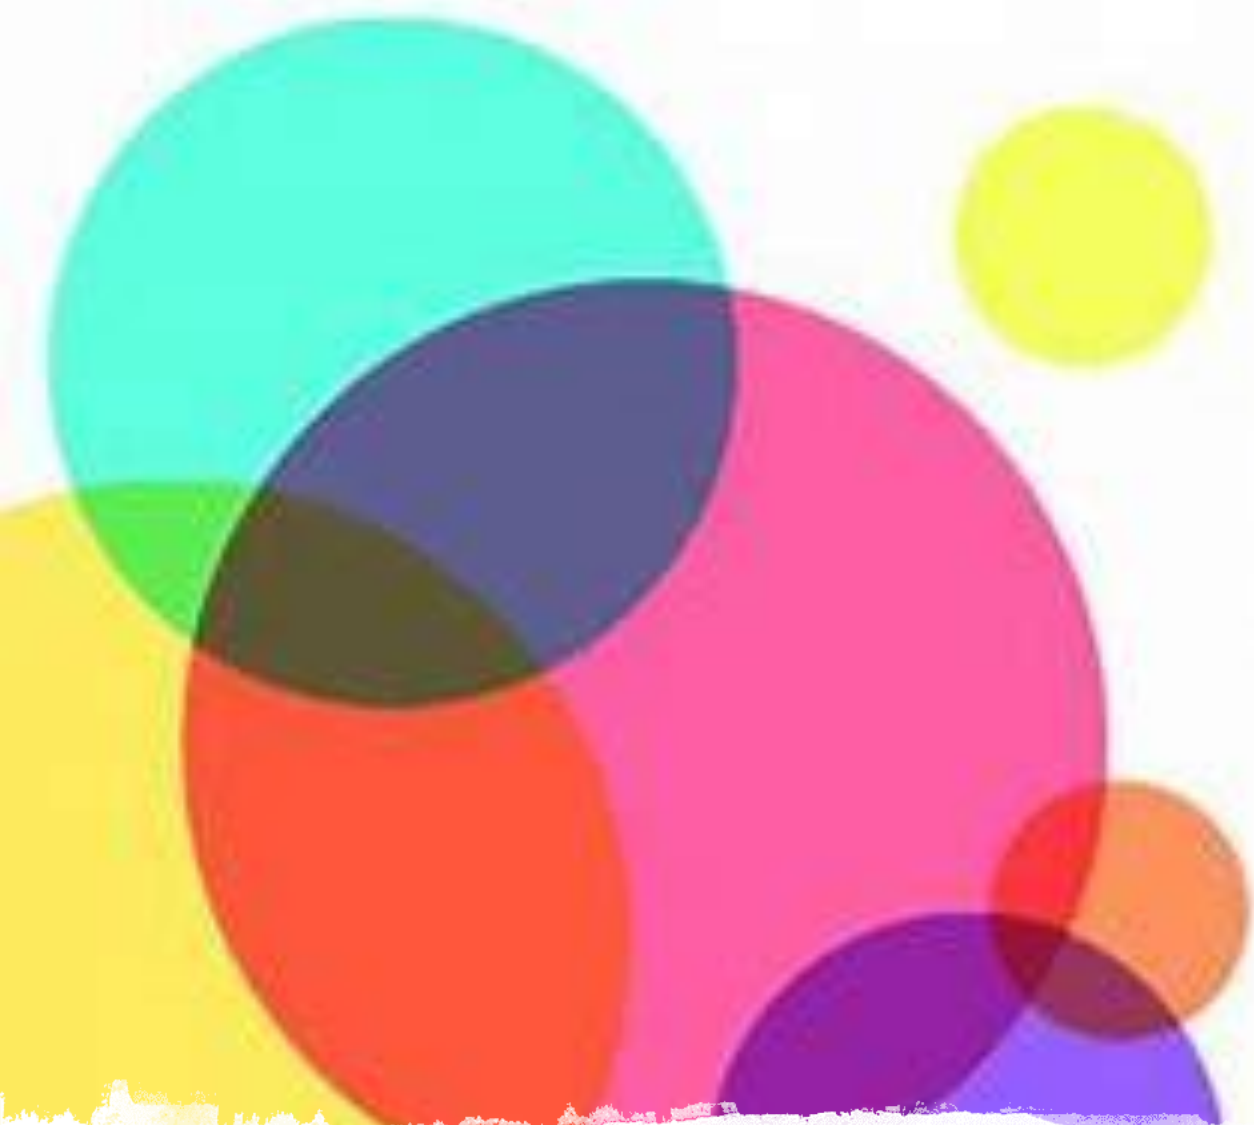

He always tells me to buckle down with my school work and not to be a plasterer because he always says " you have to work your fingers to the bones at his job." I think I am really lucky to have such an amazing Grandad in my life. I hope I turn out to be as fit and hard working as him when I am his age.

Me and my granny used to go on the bus together. We would each get a sweet and we would see whose could last the longest.

I used to live with my granny and granda. I would do jigsaws with my granny then I would go out and see the cows with my granda.
